Marking of districts in the State map indicating status of VWDCs –  
reg.

Sir,

With reference to your *e-mail* on the subject cited above, please find enclosed herewith the map of the State with the markings as instructed. I may, however, mention here that the VWDCs which are presently functioning are not as per the prototype received from the Vulnerable Witness Committee of the Hon'ble Supreme Court. The progress work of VWDCs as per the prototype is pending at different stages as the estimated funds have not been released by the State Government so far.

I may also mention here that two districts *viz.*, Pakyong & Soreng are newly created districts and there is no District Court level infrastructure therein as of now.

*Regards,*

Yours faithfully
